The Senior Football Team enjoyed one of their most successful seasons ever. The very talented squad emerged with an overall record of 5 wins, 1 loss and 1 tie during the regular season. We finished in 2nd place in the South Division.

We got off to a fantastic start with an exhibition victory in Lethbridge over Winston Churchill, a power in football in Southern Alberta, at a score of 25-4. We then opened the regular season with a 39-1 win over Austin O'Brien. After we defeated Parkland 35-0, we were 3-0. It also meant that we had won 8 straight games going back to pre-season and last year's playoff season games.

In our next game, we lost to Harry Ainley 25-8. This was to be our only loss of the regular schedule. We eventually closed off the schedule with a 14-14 tie with Salisbury. Many observers felt, as was the case last year, that the Salisbury game was one of the best and hardest fought in high school football. Salisbury eventually won the city championship. We take great satisfaction in that Salisbury defeated every other team in the league during the season and playoffs but they couldn't beat us.

In our opening playoff game, we met M.E. Lazerte from the North Division, and were humbled 11-7 in sub-zero temperatures (-30°C). This definitely was our low point of the season, as we were knocked out of the playoffs that cold and fateful night.

We had many high points and a few low points but more importantly, we grew as people together. We experienced life's bitter sorrows, but also enjoyed the sweet smell of success.

Congratulations to all the players for their tremendous contribution during this past season. To the players who are graduating, we give you "special thanks" and wish you the "best" in your future endeavours.

Special thanks are in order to the "super fans" which included enthusiastic students, alumni, teachers, and parents who always provided us with moral and vocal support.

Finally, a vote of thanks to the Assistant Coaches, Mr. Ted Thresher, Mr. Mark Demeretz, Mr. Logan Sawchuk and Mr. Boris Maik who spent so much time in preparation of the team.

Dave Phelps:

The junior football team had an extremely successful season in "84". The team finished league play with a very impressive 6 win, 1 loss record. Thanks to the highest scoring offensive unit in the city and one of the top defensive units in the league.

The team had its goals set on the city finals, but fell short when they lost a playoff game to Archbishop O'Leary, which was played in Artic conditions.

We congratulate the 43 players on the team and a special thank you to the coaching staff (Mr. Bjarnason, Mr. Lilley, Mr. Boisvert, S. Scott, R. Losie, A. Greening).

STANDING: Wendy Rudnyk, Cindy Grosland, Kelly Griffith, Debbie Gronemeyer, Kelly Fisher.
BACK ROW: Coaches: Glynnis Griffiths, Hilda Schweitzer-Head Coach, Shelaine Kozakavia.

The senior girls should have a very good season playing in the Premier league. With three returning players and a group from last year's semi-finalist junior

team, they should continue to improve and do well.

Tournaments involved in include: CAHPER, REB, Salisbury and Grande Prairie.

Junior Girls' Basketball

BACK ROW: M. Brandenburg (Coach), Karen Gilpin, Kelly Seepish, Janet Dons, Joey Hemmerling, Diane Davies, Kim Linneberg, Lana Hollo, Mark Bosworth (Coach).

This year's Jr. Girls' Basketball team was comprised of top grade 10 players, and two skillful grade 11's. The experience of the grade 11 players combined with the desire of the grade 10 players, has moulded the team together nicely and provided Miss Brandenburg

and myself with some extremely exciting basketball. Look for big results from each of these players in the future.

Mark Bosworth (Coach)

Senior Boys' Basketball

FRONT ROW: Shawn Irwin, Daryl Shore, Carlo Lewis, Jim Spears, Chris Nielsen.

BACK ROW: Carrie Madu (manager), Mr. D. Nicholls, Marcel Soulza, Dean Lonsdale, Shawn Myren, Roger Wolsey, Tim Anderson, Carrie Taylor (manager).

The Senior Rebels are to be congratulated on their fine play in the Premier Conference. The level of competition was tough, but the Senior Boys gave a consistent effort throughout.

Besides league play, the team was involved in five tournaments; including a trip to Victoria.

The 1984-85 Rebels improved tremendously throughout the season.

Junior Boys' Basketball

The Junior Boys have had a very successful beginning. They placed second in the Rebel Early Bird and have qualified for the Premier division. During the first week of January the Junior Rebels travelled to

Victoria B.C. and were able to defeat all their Island competition. The Junior boys with hard work and dedication have an opportunity to be one of the best teams in their division.

TOP ROW: Mark Spencer, Colin Russel, Andrew Morris, Clive Williams, Cam Kaptly.
MIDDLE ROW: Mr. Melnychuk, Jim Thurston, Al Prokop, Todd Karaim, Ron Faust; manager.
BOTTOM ROW: Shane Asbell, Lee Harrison, Garry Wilson, Jay Harvey, Ryne Smith.

Senior Girls' Volleyball

FRONT ROW: Donna Barnhart, Sonja Meisters, Jen Allen, Sandra Hardie, Jen Bredy, Gerry Barr.
MISSING: Lindsay Jones (coach)

The Senior Women's Volleyball Team played very well in the 1984 season. The team played in three week-end tournaments.

J.P. Rebel Early Bird - finished 3rd in Pool A.
 University of Alberta - finished 3rd in Consolation playoffs.
 Spruce Grove - did not reach playoffs.

The J.P. team also organized and ran the J.P. Junior Tournament and the 4A Volleyball Provincials which were both held at Jasper Place School. The J.P. Senior Women's Team lost to the Victoria Redmen in the semi-finals, finishing 3rd in the City Conference. As you can see, the team's lucky number was three!

Junior Girls' Volleyball

BACK ROW: Miss Kehoe (Coach), No. 4 Kim Linneberg, No. 1 Marcha Williams, No. 10 Corry Clipperton, No. 5 Tania Girouard, No. 12 Kelly Fisher, No. 8 Kelly Seepish, Jodi Weitz-Manager.

FRONT ROW: No. 2 Lyn Hamdon, No. 9 Shelley Hrynyk, No. 6 Dawn Southey, No. 11 Leah Rowe, No. 3 Diane Davies, No. 7 Janet Dons.

The Junior Girls' Volleyball team had a very successful 1984 season. They placed first in the city conference and represented Jasper Place in the City finals.

Their enthusiasm and determination were a credit to Jasper Place Composite High School.

Senior Boys' Volleyball

FRONT ROW: Naval Zilka, Doug Lutz, Darren Lester, Ed Boudreau, Tim Johnson, Carl Lewis.

BACK ROW: Mr. Fedoruk, Maureen Napier, Shane Hunter, Lewis Suvanto, Darryl Countryman, Chris Nielsen, Jim Speers, Terry Stratchuk.

The Senior Rebels of 1984 played league matches in all three divisions. Many of the team's objectives were successfully met by qualifying for first division round robin play.

In exhibition tournaments throughout the season the team qualified for playoffs each time.

The rebels culminated their season hosting the '4A' Provincial Tournament and should be complemented on their hard work.

Next year's prospects look promising with many returning players and the additions from a strong junior team.

Junior Boys' Volleyball

BACK ROW: David Johnson, Colin Russell, Coach Bernie Wilde, Mark Spencer, Gary Wilson, Darryl Shore.
FRONT ROW: Terry Maik, Philip Porter, Greg Roemer, Jim Thurston, Greg Sawatzky, Jay Harvey.
MISSING: Andrew Morris.

The Junior Boys' volleyball team enjoyed a successful season moving from a ranking of 13th place at the beginning of the season to a strong 4th place finish. The season included highlites such as reading the finals at the O'Leary Tournament, and dividing the one team into two teams at our Rebel tournament with both teams playing well enough to beat most of the teams in the tournament. This experience was a true indicator of the depth the team

had.

They improved steadily throughout the year and were not to be taken for granted by anyone. In the last round of league play the eventual City Champions (Ross Sheppard) barely beat J.P. in the 5th game of a best of five series.

Congratulations on a fine season.

Rebel Golf Teams

FRONT ROW, Left to Right: Sandra Hancheruk, Lisa Renwick.
BACK ROW: H. Schweitzer (Staff Advisor), Heather Lee, Tamara Burton, Laura Baker.

The J.P. girls team won the city playoffs, and Heather Lee was the individual winner. This advanced the team to the Provincial's in Medicine Hat on September 28 and 29, which they won! Congratulations to Laura Baker, Tamara Burton, Sandra Hancheruk,

Heather Lee and Lisa Renwick.

The boys' team consisting of Tim Anderson, Gordon Dundas, Ron Pruden, and Glena Thomson placed seventh in the city.

The 3rd Indoor Track & Field season was very challenging and successful for the 65 athletes who comprised this year's team. The students who were from J.P., other high schools and our feeder junior high schools competed in a six-meet indoor season culminating with the Provincial Age Class Indoor Championships.

The team journeyed once again to Saskatoon to compete in the "Sled Dog" Indoor Championships and had a very successful and enjoyable time.

The indoor program is proving to be a big success with the students, and the track program has a very bright future.

Badminton Club

In the previous years, the badminton club has had a very good enrollment. This year, however, it has been exceptionally high. We have many promising players, both old and new this year, and we hope to do well in future competitions.

We are a group that has come to the knowledge of God and what He has done and can do for us as individuals. We believe that God sent His son, Jesus Christ, down to earth two thousand years ago, and that He died for us all so that we can be blameless for our faults. Accepting this pardon personally, is the only way we can have eternal life, peace, and joy. We are here to show the students and others at J.P. that you can have more fun following God's principals than being manipulated by negative peer pressures. Our main goal is to let the student body, and every staff member know that Jesus loves them for who they are and not for who they try to be. The Bible in St. John 3:16 states "For God so loved the world, that He gave His only begotten son, that whosoever believeth in Him, should not die, but have eternal life through Jesus Christ."

I invite you a students and staff to come and discuss with me, or other ISCF members, anything relating to what I've discussed above.

Thank you, and we invite you to make room for God in your life.

The Rebel Press, through the efforts of a handful of students, attempts to publish several issues during the school term.

It is one of many clubs in J.P. and as such looks to the student body for support. This club offers the opportunity for interested

students, to express themselves in writing, art, cartoons or photography. In addition to composing the school newspaper, students also do the typing, layout and printing in conjunction with the business education and graphic arts departments.

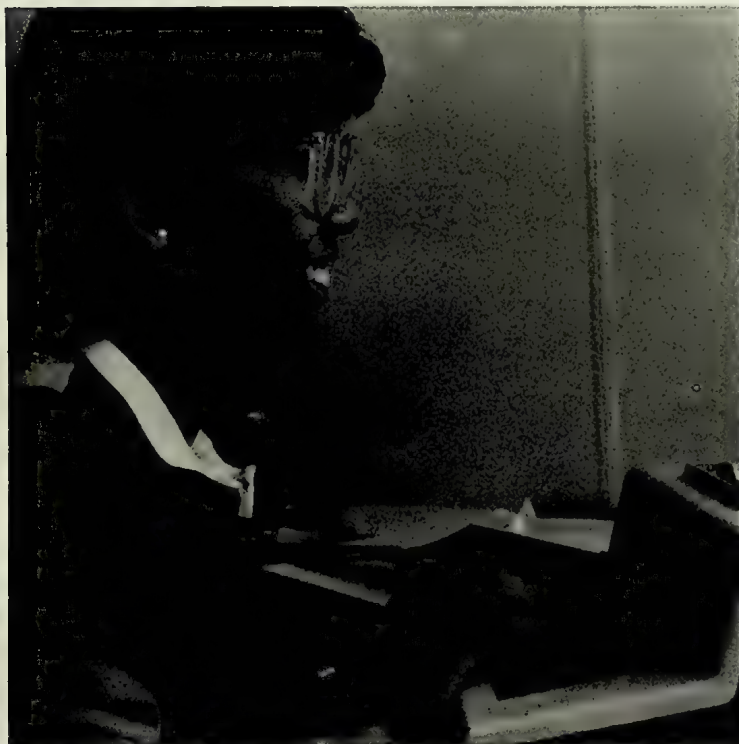

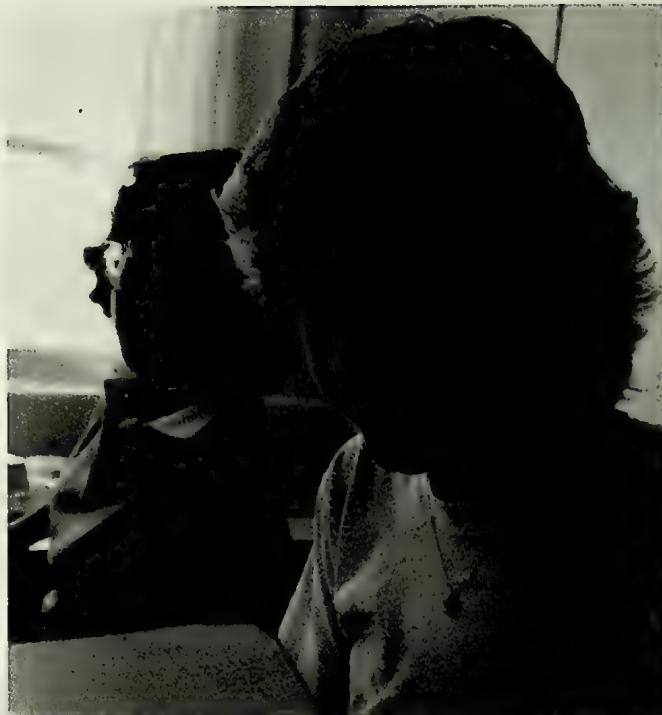

It has taken numerous lunch hours, countless Saturdays and after schools; but Echo '85 is completed. This book is the result of a lot of hard work between the Yearbook staff and our school.

We would like to thank the Business Education department for typing up our materials, the support staff, and all teachers and students who helped.

Our greatest thanks go to Mr. Phelps, our advisor. He was responsible for our excellent photography, checking all our work and the whole end of administrative details. Most importantly, for helping the editor keep her sanity as deadlines approached.

This year we had an excellent staff! Everyone worked together extremely well, (right Jackie? Mike? Wendi?) and I would like to especially thank Judy, Wendi, and Terri. This year's staff included: Van Le - Editor, Joyce Bercov, Wendi Cundict, Leah Hefford, Myreteen James, Lorena Kott, Terri Luxton, Judy Mah, Cathy Murray, Greg Orcheski, Shannon Porter, Sandra Rau, Jackie Sawchuk, Mike Zasiedko.

To our fellow graduates we wish you the very best. When you look at this book years from now, we hope it will bring back those "Moments, Friends and Faces" at J.P. in 1985.

Staff

Another year has seemed to fly by and we have but ten or so weeks left until the summer break. This year has been an unusual year in that my participation with the yearbook has involved mostly the photography and very little of the administration and organization. The latter has been carried out almost solely by Van Le and a small group of dedicated co-workers. There is a tinge of sadness in these latter months because nearly all the current crop of yearbook people will be leaving J.P. this year to pursue their respective careers.

My very special thanks to all the staff and students who put up with our continued pestering to have things completed in time for deadlines.

Many thanks to our editor, Van Le, a person of boundless energy, great organizational ability and all around nice person.

Enjoy the book and think good thoughts of your year at Jasper Place.

J.P. Drama has had an exciting year. In December a very successful production of Neil Simon's **PLAZA SUITE** was presented to the school and surrounding community. Although the weather was foul, many braved the outdoors to see a fine young company of student actors perform.

Other productions are to follow: **YOU'RE A GOOD MAN CHARLIE BROWN** in March, as well as noon hour theatre. The latter is to be presented by the Drama 20 and 30 students. Watch for them.

THIS YEAR IN REACH FOR THE TOP

In their quest for the provincial title, this year's J.P. Reach For The Top team ventured south to Red Deer. At the height of the October '84 blizzard, they competed against other teams from all over the province. On their way to the Flight 1 final, they defeated Red Deer's home team, Lindsay Thurber; and trounced Edmonton's Strathcona Comp. in a somewhat lop-sided match. In their final game, the Flight final, the Rebel team faced Lord Beaverbrook, a tough team from Calgary. Despite a gallant effort, and a late surge by our Rebels, it was too little too late, and Calgary struggled on to a 35 point win.

The team would like to thank Mr. Nerenberg for his help and support, and our coach "Bubbles", (aka Mrs. Chemago) for helping to prepare the team for battle.

Rebel Choir Program

There are three choirs at Jasper Place with Memberships ranging from 25 to 45 students; with a total participation amounting to over 70.

We started the year with the Concert Choir performing publicly in Mid-September. Then all choirs were involved in the October Music Concert. In November, Edmonton hosted the Grey Cup and our Jasper Place Jazz Choir and Show Choir participated in the Grey Cup Banquet. For the Show Choir it was a "rave notice" concert: standing ovation and cries for "encore" It was a highlight performance for our Jasper Place Show Choir.

December provided numerous opportunities from hospitals to gymnasiums, from churches to malls. In total we have performed on ten occasions including the Christmas Party for Alex Taylor students and carol singing at Stage West in the Mayfield Inn.

In February-March, the Show Choir performed at the Auto Show in the Agricom Building. Another successful appearance. We have 5-6 more planned concerts for March to April. Then it's off to California for an appearance at Disneyland and Disneyland Hotel.

January '85 saw the dream of an Alumni Show Choir, but our long term dream is to provide an evening rehearsal for a Jazz-Concert Choir as well!

It has been a year of hard work, much progress, and singing success for all our choral students.

Guest speakers were invited throughout the year to discuss these different topics with the club members. This year Sandra Rau is the club president with Stacey Strand assisting. In the past the club has put on fashion shows in the school, at Centennial Mall and for various other organizations in the community.

President's comments: I had a very enjoyable year working with the Modelling Club. The guest speakers were very interesting, informative, and friendly! I hope all the club members had as much fun as I had this past year. I'd also like to thank Mrs. Lawless for all her assistance.

With financial assistance from our Student's Union and the Athletic Board, we entered two teams in the Edmonton High Schools Curling League. The Boys' Team was skipped by Gordon Coates; and Darlene Kosik skipped the Mixed Team. The Boys' rink also competed in the ASAA Provincial Playdowns. Club membership was the highest yet, and we hope for better things next year.

On March 22 a group of our French Language students arrived in Frankfurt to begin a marvelous tour of Germany and France. Their adventure started by travelling along the Rhine River, and visiting the famous University City of Heidelberg. After travelling through the enchanting Black Forest the visitors arrived in Switzerland. The top of the mighty Matterhorn provided a panoramic view.

The visit to France started with the Sunny Mediterranean coast. Nice, Cannes, Monaco, castles, and medieval villages were included in our sightseeing.

Versailles and Paris were our last ports of call. The "City of Lights" afforded the students many magnificent sights: "Arc de Triomphe", La Tour Eiffel, etc. The students floated down the Majestic "Seine" on a "Bateau-Mouche", and strolled down the Bohemian Latin Quarter where they could savour the sights, sounds and smells emanating from quaint shops bordering narrow cobbled streets.

This year again, 22 French students had an opportunity to live one of the most meaningful experiences in second language learning. They were twinned with students from Mont St-Hilaire, Quebec and had a chance to experience one another's language and culture. Jasper Place students hosted Polyvalente Ozias Leduc students from Feb. 12 to 21st and our students went to Quebec from March 13 to 22nd.

Such a project funded by Open House Canada is an excellent way of developing knowledge and understanding among young people of Canada.

Photo Club is a small group of students who want to learn photography. Most of our activities are based on this principal. We have taken several different field trips and learned many things that deal with the serious side and also the fun side of photography. This year most of us have done some portraiture, both natural light and flash, while some of us have spent time in the darkroom working on Black and White photography. Our most successful field trip was for autumn leaves and colors, but our Annual Christmas Lights trip was 'frozen out'.

Our big projects for second semester will be the "sweetheart pictures" taken at the Grad Banquet and the Environmental Field Trip to the mountains this spring.

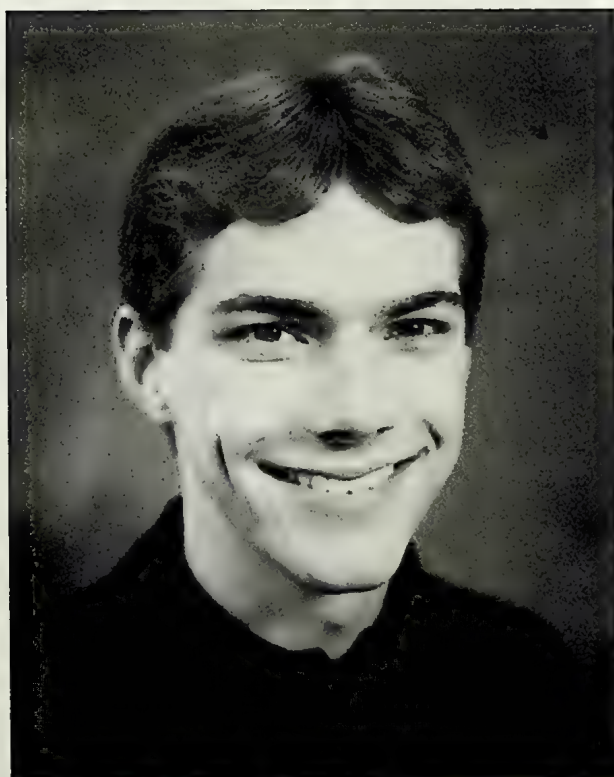

Most of the knowledge the students have received is taped from the photography club's able sponsors, Mr. MacKeage and Mrs. Pat Batten. They are capable of creating events which all enjoy.

Life is often referred to as a long and winding road. The road from grade one to grade twelve, is a long one. It has held much happiness and friendship for all of us, but the journey is finally over. We used to think that at the end of grade twelve, we would find the end of this road. Instead, we find ourselves faced with a series of paths we must choose what path we will take through life. It is a big decision, but with the help of parents, and our education, we will all make a good choice.

Graduation is a very special time in our lives, and to make it a memorable success, the Senior Class Council have dedicated themselves to a great deal of hard work and planning. On behalf of myself, and all the other graduates, I wish to thank each person on the council for all of his or her sincere efforts and hard work. A special thanks to the executive of the council: Laura Youell (Vice-President), Nancy Barnes (Program Director), Charlene Fleming (Banquet & Dance), and Laura Schultz (Secretary-Treasurer). Each of these people put a great deal of time into making our Grad a success. It was a pleasure to be able to work along side of such a hard working, dedicated people. I would also like to express gratitude to our staff advisor, Mr. Sjolie for his guidance and support. Without all of these people, Grad would not have been the success it was.

I wish the best of luck and health in the future to all of my fellow graduates.

Have you ever seen a child's smile when you present him/her with a ribbon for winning a race? Or the joy shown on their faces when Santa and all his elves sing Christmas carols and give out Christmas treats? And the fright on their faces as they emerge out of the Haunted House?

If you answered no, then it is evident that you have never worked an Alex Taylor party. It is one of the most memorable things that will ever happen to you in our school.

Each year the concerned students here at J.P. give these kids a Halloween party, a Christmas party, the end of the year picnic and other events throughout the year.

Just imagine the beaming faces of all those kids, (many of whom are new to this country), when a person who they hardly know shows them caring and love. The experience is a benefit for both the kids from Alex Taylor and those from J.P.

Many people have the wrong idea or image of the students of J.P. The Alex Taylor Project proves that we are truly caring people. But do the students do it just to keep their image up? No, they do it because they really care about showing their love to those who need it the most.

REB EARLY BIRD

They said it couldn't be done but we did it. Thanks to the superb effort of our students, staff and community support, the 1984 REB Tournament was a smashing success. The tournament featured outstanding athletic competition, good sportsmanship, enthusiastic fan support and an opportunity to meet new friends.

Before a crowd of approximately 500 people in our centre gym, the boys' and girls' championship games were finally contested.

Tournament 1984

Students' Union President

SUMMARY OF THE '84/'85 YEAR

The Students' Council and the students of J.P. had an extremely busy and successful year. September began with posters galore to welcome new students as well as regulars from the previous year. Our first pep rally in October met with a very enthusiastic response.

In October, our first evening dance (Halloween) brought an end to the beginning of a great school year.

November's Tacky Tourist Day included a noon-hour dance in which four cases of food were collected and \$194.10 was raised.

By the beginning of December, all clubs ranging from badminton to jazz dance had been organized. The clubs themselves had an overwhelming enrollment, suggesting that there is something for everyone at J.P.

The Alex Taylor Christmas party (on pages 52-53) ended 1984 with a bang. Anyone who participated could tell you the kids were extremely excited and eager to see Santa Claus.

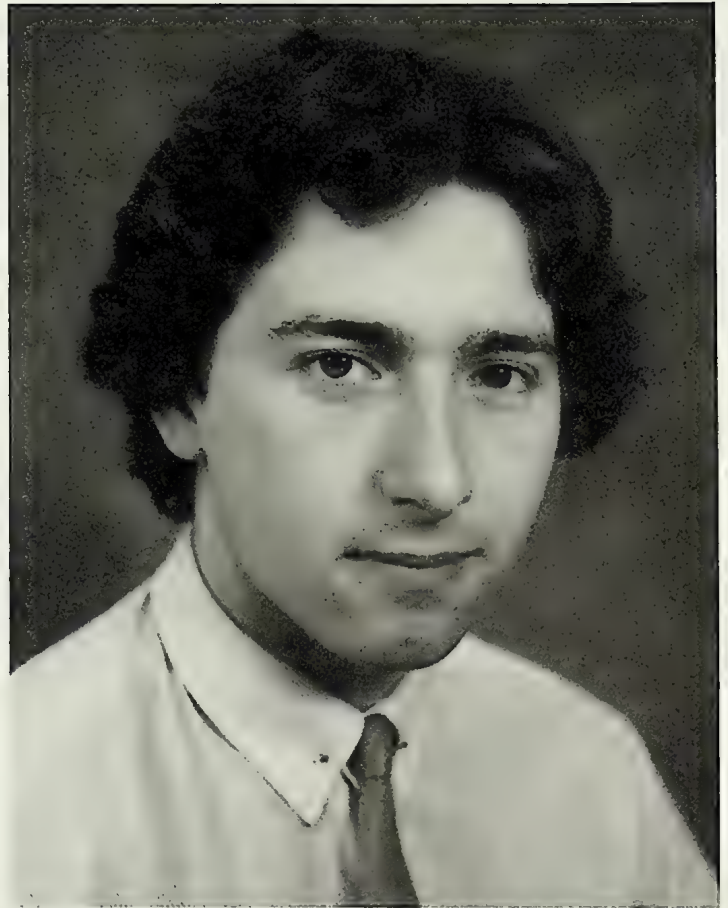

January was basically a relaxing period during which we all crammed for exams.

The following month, however, included carnation-grams and an evening dance honoring St. Valentine's Day.

The '85 year rounded out with highlights from Hawaii Week, Alex Taylor Picnic, Western Days, and the J.P. Talent Show as well as other fulfilled activities.

As we look back to the memories we hold of these events we would like to thank you, the students of J.P., for making them a success.

Club members are responsible for the repair and maintenance of their machines. They develop their conditioning through short excursions and gradually an overnight trip to Elk Island. The highlight of the year is our five day tour through Jasper and Banff National Parks.

Weight Lifting

Though we do not have an official Weightlifting Club, there is a group who work out every lunch hour. They train in the weight room and their aim is to keep fit. Some are Body Builders, and others are Weightlifters.

Jasper Place Band

The proud history of Jasper Place School has been paralleled by a most distinguished Band Program. Over the years these bands have succeeded in bringing honor and recognition to our school. Music festivals, public concerts, and numerous other functions provide the members with invaluable experience. As well, the band has toured Canada and Europe representing Jasper Place.

The 1984-85 Band is proud in continuing this tradition with many more performances as the musical envoy of Jasper Place.

Jasper Place Composite High School

Congratulations are extended to the yearbook staff in the publication of The Echo, the record of life in our school during the 1984-85 school term.

Congratulations go also to those students who with this year will have completed high school. On behalf of the teachers and other staff members I wish all success to you who are leaving us - to enter university, college, a technical institute, or the world of work. In your coming years you will need to apply a philosophy of give and take; of tolerance for those different to you. You will need to apply the work and leisure skills that you have learned in your school years. In fact, you will need all your developed resources in order to maintain a balance in a world which is highly complex and competitive.

It is my hope that in the future you will look back with pleasure and gratitude at your years here at Jasper Place. You will find that the greatest joy comes from taking part in life fully. In whatever you do in the years that follow put out your best effort: you will get back from life only a measure of what you put into it.

Good luck from all of us at Jasper Place Composite High School.

Coordinators

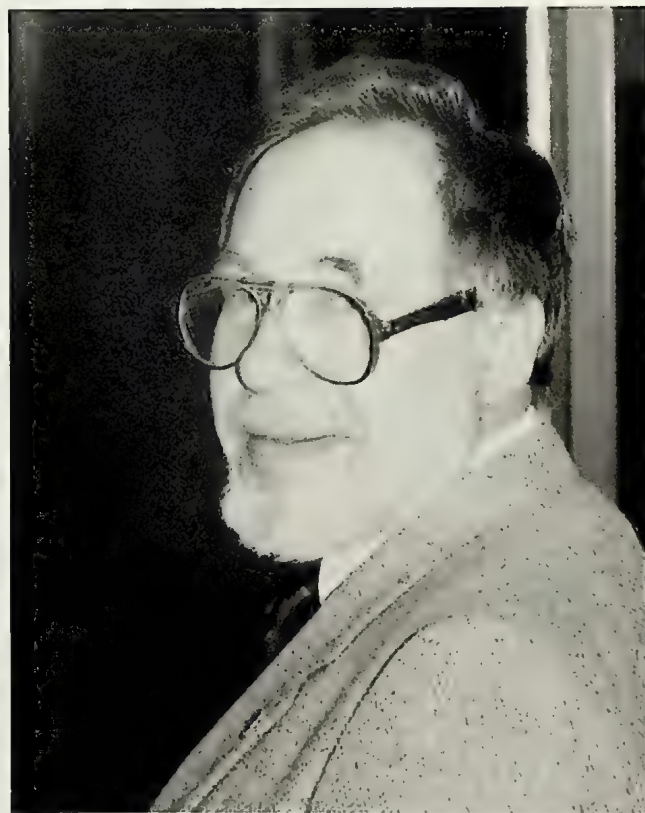

Also known as Vice-principals, our coordinators are well-known faces throughout the school. Mr. Luchkovich, Mr. Fairbanks, and Mr. Stringham are responsible for students with last names beginning in A-G, H-O, respectively. The newest in the ranks is Mr. Luchkovich. Shown here, Mr. Luchkovich is settling in perfectly.

Besides setting up timetables, keeping an eye on students, controlling the Hit List, they are great supporters of student activities.

“Have A Nice Day Luv.”

Mrs. Tallas, better known as Rose, was born in Greewich, Greenock, Scotland. After her graduation she joined the British Navy. In the navy she worked in the telephone office and drove a jeep. During the war she met and married her husband, a naval petty officer in the Canadian Navy. After two years of marriage, her family moved to Canada and Rose became Edmonton's first War Bride. Mrs. Tallas has lived in Edmonton ever since. She started working again when her youngest child was about two - this time for the School Board. She worked in positions ranging from Head Ladies' Caretaker to office work. Before she came to J.P. in 1981, Rose worked at Victoria Composite High School with Mr. Maskell. Mr. Maskell was asst. Principal then and Rose operated the Bookstore.

At J.P. Rose is responsible for every aspect of the Bon's operation. When she isn't busy with her 16 grandchildren she finds time to curl, swim and jog. Rose always has time for a chat. Students love her for her friendly cheery smile and greetings. While she "misses the students who graduate", she is happy to welcome new Rebels. Thanks to Rose, a visit to the Bon is not just a buying trip for a candy bar, but a chance to fight the line ups, chat with your friends, and joke back and forth with a great lady. THANKS ROSE!

One thing at a time,
all things in succession. That which
grows fast,

-ME-

I am who I am
Not even you can change that.
You may not think I am special
But to myself I am very elegant.

People often tell me I am wrong
So I often try to correct myself.
Though we all make mistakes
They can always be worked out;

When you're feeling down
Try to cheer-up!
Because you might as well smile
You have a long life ahead.

A DAYDREAM

Although I hear the voice drone on and on
in monotone, these four square walls that bind
me here shall not encage my restless mind.
Release my captive thoughts! -Ennui begone!

I drift, I dream - poetic fantasy...
A princess in a northern land, where song-
birds serenade the spring, lovers belong.
Laughter, love abound - serenity.

My handsome prince and I stand side by side
upon a golden hill. The sun caresses
this rich green world which Nature gently blesses
for eternity. A paradise to hide.

Alas! The music stops! Away the lover!
The dreamer rests - Awaken patient scholar!

PACIFIC CASTLE

Youthful hands moulding each turret of sand,
Hidden secrets inside every tower.
In his young mind, the mighty walls all stand
Immense, signs of dominance and power.
Tremendous walls encompass brave soldiers,
Chivalric, defeating foes in combat,
Fighting boldly, determined to conquer,
With gleaming armour, clashing in attack.
The castle also secures royal gems,
Great diamonds and emerald wealth of Kings,
Too precious for a boy to comprehend,
Elaborate clothing, bright jewels and rings.

As sea's waves destroy the castle of sand,
The palace image in his mind still stands.

PHOTOGRAPH

What secrets lurk behind that wooden face,
What chilling thoughts pervade that sunken mask,
What feelings were expressed and then misplaced
By the shallowness of a photograph?

What cherished memories lie buried in
Unquiet graves, to rise like phantoms when
Reflective mood betrays the thoughts within
That resurrect as wistfulness depends?

What dreams did she seek by a wishing well;
Her thirst for life as yet unquenched, searching
For challenges to net a restless swell
Rising like a wave 'gainst life fulfilling?

She's silently reserved, yet do I see
Her beckoning and feel her breath on me.

BY JUDY MAH

The thing to remember about fathers is, they're men.
 A girl has to keep it in mind.
 They are dragon-seekers, bent on improbable rescues.
 Scratch any father, you find
 Someone chock-full of qualms and romantic terrors,
 Believing your first shoes with heels on like your first bicycle
 It took such months to get.
 Walk in strange woods, they warn about snakes
 there.
 Climb, and they fear you'll fall.
 Books, angular boys, or swimming in the deep water-
 Fathers mistrust them all.
 Men are the worriers. it is difficult for them
 To learn what they must learn:
 How you have a journey to take and very likely,
 For a while will not return.

A mother is hardest to forgive.
 Life is the fruit she longs to hand you,
 Ripe on a plate. And while you live,
 Relentlessly she understands you.

You gave me my wings
 And taught me to fly,
 You didn't hold back
 You showed me the world
 On a silver tray
 You taught me of love
 And the games people play
 You gave me the strength
 To stand alone
 And all of the confidence
 To make it on my own
 You gave it all
 But you'll never know
 Just how much
 You helped me grow.

"Every man should have a fair sized cemetery, in which to bury the faults of his friends."

It matters not how strait the gate,
How charged with punishments the scroll,
I am the master of my fate:
I am the captain of my soul.

HENLEY

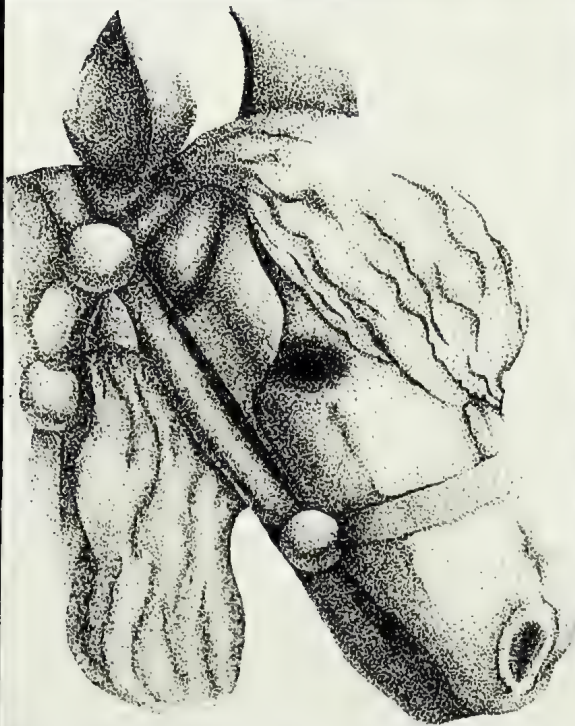

I REGRET

All the paths I saw but didn't take,
Decisions I pondered but didn't make,
The memories I let sleep but didn't wake,
The helping hands I had but didn't lend,
The dreams I let grow but didn't tend,
And all the hearts I broke
But didn't mend.

FREEDOM

I write because I am confused
And seek to understand.
I sing because I am alone
And I reach to take a hand.
I wonder because I'm curious
And I feel I should know why.
I hurt because I'm human
And this is why I cry.
I laugh because I'm joyful
And this seems right to do.
I love because you're special
And pray you love me too.
I live because of all these things
I find in everyday.
They tell me just what life's about
And listen to what they say.
Oh yes, even to cry.
These simple gifts of freedom
I will treasure 'till I die.

LOVE'S PHILOSOPHY

The fountains mingle with the river
 And the rivers with the Ocean,
 The winds of Heaven mix forever
 With a sweet emotion;
 Nothing in the world is single;
 All things by a law divine
 In one another's being mingle.
 Why not I with thine?-

See the mountains kiss high Heaven
 And the waves clasp one another;
 No sister flower would be forgiven
 If it disdained its brother;
 And the sunlight clasps the earth
 And the moonbeams kiss the sea:
 What are all these kissings worth
 If thou kiss not me?

SHELLEY

SONNET XXX

When to the sessions of sweet silent thought
 I summon up remembrance of things past,
 I sigh the lack of many a thing I sought,
 And with old woes now wail my dear time's waste.
 Then I can drown an eye, unus'd to flow,
 For precious friends hid in death's dateless night,
 And weep afresh love's long since cancelled woe,
 And moan th'expense of many a vanished sight.
 Then can I grieve at grievances foregone,
 And heavily from woe to woe tell o'er
 The sad account of fore- bemoaned moan,
 Which I now pay as if not paid before.
 But if the while I think on thee, dear friend,
 All losses are restor'd, and sorrows end.

So this it. High school! This is the excitement I've been looking forward to for years. Yet somehow it was not quite what I expected.

From the Grade 11's and 12's point of view it's pretty funny

watching all of us grade 10's getting lost. For example, one of my worst moments was walking into the wrong classroom and facing 30 smirking Grads.

Or if that isn't bad enough, how

about being covered with shaving cream in the great September Froshing spirit? Then of course there is the experience of walking through Jock Hall. I remember fearing to death that I might trip

I had a dream, what I might do,
And took my will to test,
My tools were discipline and love,
Aloneness helped me too.
But pain is a good foundation for
A house of excellence,
Each failure a cement with which
To fortify success.
And though the dream may not
come
My step is light with life,
For effort gave this joy to me
And knowing I had tried.

High school brings upon us moments to create everlasting bonds of friendship. As we go through high school, each of us shares moments and memories which last forever -- exams, field trips, Awards Night, athletic accomplishments, and so many more achievements - too numerous to mention. Without someone to share these accomplishments high school would have little meaning. Those friends which we have will

always be a source of inspiration, laughter and everlasting memories.

Whether those friends helped us get through a difficult point in our lives or they studied with us or stuck by us in a time of need, it shows that they were important and one million thanks would never be enough. But that's what friends are for -- thanks aren't necessary.

Because of our size, Jasper Place can offer many different programs to students. There's Beauty Culture, Automotives, Graphic Arts, IK, Enrichment, Food Prep as well as the regular program. The pictures opposite here show just one group - Food Preparations.

They are most well remembered for their lunches and though it is a familiar joke how awful cafeteria lunches are - their meals are hot and

often pretty good. Besides planning, cooking and serving lunches, they occasionally dress up and create a banquet.

Shown here are some of the creations from Ukranian Heritage Days, and the far pictures were taken from JB's Cultural Centre Opening Night.

As you can see these guys have a lot of talent. (Now why don't we get this stuff for lunch guys?)

How do you spell Automotives?

MICKEY MOUSE, right? Wrong. Contrary to the popular belief that is circulating around this fine institution, Automotives 12, 22, and 32 are not so-called Mickey Mouse courses.

Some people say that anybody can pass Auto. Well if you consider a 50-55% a passing mark - then anybody can do it. But many Auto students feel that they have not passed the course if they receive a mark less than 75%.

It is easy to remember that China is underneath Russia, or $2+2=4$, or the symbol

for water is H_2O or Shakespeare wrote Macbeth. But do you know how to rebuild an engine, or fix your own brakes or better yet, do you know how to change your own car oil?

So for those of you who think that Automotives is an easy course - just remember the next time you break down on the road how much that Mickey Mouse course could have helped you.

Instead, you probably have to call a station - and have it repaired by one of the Graduates of Automotives!

The Yearbook staff would like to thank Mrs. Lawless and Business Education students for their help in typing out our written work.

Their help has been invaluable not only to us but to the school. One

good example is the newsletter.

Programs such as these provide students with practical skills in office and clerical work, while at the same time benefitting a great many people. Thank you.

Every year the Yearbook plans a new theme for the Yearbook. This year we decided on "Moments, Friends, and Faces".

We chose this theme because we felt a yearbook should show those memorable Moments, super

Friends, and the many Faces and people that you've had or known during the year. We think we have succeeded and if there are gaps, we're sure your memory will fill them in.

Biology 20 Field Trip to Elk Island

Hark! The sounds of nature. A bird, the wind rustling the leaves gently, the crinkling of a chocolate bar wrapper, the pounding of stakes and the honking of the buses to take the Biology 20 & 30 students back to civilization. What a beautiful

sound. On October 3, the science teachers dared to take their students on a field study of Elk island National park. The unit of study was Ecology and it was a successful day. They learned a lot about nature, how it works and whether or not Mr. Lilley thinks that cranberries make good jam. They do.

THE MAN WHO THINKS HE CAN

If you think you are beaten, you
are;

If you think you dare not, you
don't

If you'd like to win, but think you
can't,

It's almost a cinch you won't.

If you think you'll lose, you're lost,

For out in the world we find

Success begins with a fellow's will;

It's all in the state of mind.

If you think you're outclassed, you
are;

You've got to think high to
rise.

You've got to be sure of yourself
before

You can ever win a prize.

Life's battles don't always go

To the stronger or faster man;

But soon or late the man who wins

Is the man who thinks he can.

"Hey you want to go to the Mall?" "Are you coming to watch R-Team?" "There is a Modelling meeting today". Remember your math test" "Oh no! I have band!"

What did you do at lunch time? You lived too far away to go home for lunch so you had to find something to do. J.P. had a lot of activities this year and something for

everyone. There was Badminton, Weightlifting, Intramurals, Photo, and much much more. How about ISCF or Rebel Press or Ping-Pong?

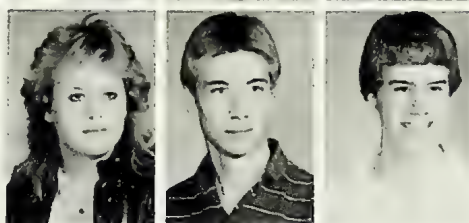

Those are just some of the things you could have done. Then again, like many, you probably crammed for exams or talked to your friends. Whatever you did, the lunch hour went too fast, didn't it?

MY LOCKER'S BETTER THAN YOURS!

School often becomes a second home to many people. Why not? We spend nearly eight hours per day in school, working, slaving, jocking out and gathering knowledge. It is understandable that people could try to integrate their homes with school. How do they do this?

By decorating their lockers of course. Artistically they transform the ordinary pieces of metal to a fantastic showpiece. They paste pictures of boyfriends, best friends, pictures of parties, pen-pals, memo pads, movie stars and rock group pix, the Calvin Klein underwear man-and so much much more.

Next time you think lockers are boring - look again!

During the 84/85 school year we asked the Grads a variety of questions about their classmates and teachers based on a criteria ranging from Einstein to Most Memorable Laugh. The surveys were tabulated and the results are below.

Contrary to popular belief, JP grads do not hate their teachers. In fact we found that each teacher had at least 2-3 votes! FAVORITE TEACHERS are: 1) Mr. Zelant, 2) Mr. Lilley, and 3) Mr. Thresher. Honorable mentions go to Mr. Nerenberg, Mr. Mills, Mr. Derechey, and Mr. Dudley.

Church, John

C'mon, say you'll buy this used Camel.

There were over 500 Grads this year. As a result it was difficult to choose just one male and female candidate for **BEST LOOKING GRAD**.

For the guys: 1) Dean Lonsdale
2) Doug Sherman
3) Pat Comrie

For the girls: 1) Cathy Murray
Carey Herbert
2) Wanda Peat

Carrie Williams
3) Kerry Larmour
Theresa Yuh

In a school filled with such a wide variety of fashions and trends, the Grads were most impressed with Theresa Yuh's taste. Second place was Nancy Barnes and then Carey Herbert.

As for the guys, our results were even more varied. First place went

to Romeo Lewis, then Trent Stewart and then Frank Kennedy and Rob Sears, (and of course Mike Johnson).

The class vote for Einstein resulted in a very close race between 1) David Boroditsky and 2) Barb McDougall. In third place was Doug Lutz and honorable mentions go to Randy Frans and Andy Walenstein.

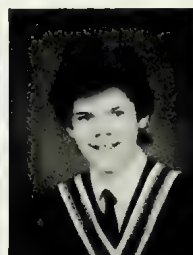

Come on, Ter, vote for me.

Potential - that is the key held by the people who were voted **MOST LIKELY TO SUCCEED**. The results we received were quite varied. The female winners were: 1) Barb McDougall 2) Van le and 3) Carey Herbert. Joanne Luke, Joyce Wong, Chris A. Taylor and Terri Luxton received their fair share of votes too.

In the male category the results revealed this: 1) Brad Avery 2) Matt

Brinton 3) Doug Lutz. Honorable mention is also extended to John Church, Andy Walenstein, Randy Frans and Derek Johnson.

Is it true that "Girls Just Wanna have Fun"? We discovered that guys like to have their fun and flirt as well. Greg Dewhurst was voted **"BIGGEST FLIRT MALE"**. Mohammed Habib and Frank Kennedy were second and third respectively.

Lorena Kott won with a large majority for **"BIGGEST FEMALE FLIRT"**. Tammy MacPherson and Teri Lewis followed behind.

If a picture is worth a thousand words then a smile must be worth a million. The votes for a winning smile favored the female grads this year. The smiles that brighten our days belong to: 1) Laura Shultz 2) Cathy Murray and 3) Kerry Lar-mour and Linda Fuller.

Barefoot and pregnant you say?

In the category linked closely to **NICEST SMILE** we find the **MOST CHEERFUL**. If it weren't for the cheerful dispositions of: 1) Shauna Campbell 2) Laura Shultz and 3) Wendi Cundict and Van Le, life at JP wouldn't be the same.

For some of us it is nearly impossible to get organized. Maybe we should take lessons from those people who were voted **MOST ORGANIZED**. The winners were:

1) Barb McDougal 2) Mike Guenter and 3) Van Le.

Then there are the grads who are extremely disorganized and they do it so well that we have to remember them. We're talking about 1) Van Le (is it possible to be both disorganized and organized at the same time??) 2) Dave Stenzel and even staff members such as: Miss Ratner and 3) Mr. Olthius.

Some people's laughs can just

make everyone want to join in. The Chuckles, guffaws, giggles, ... we will most remember are those of 1) Donna Barnhart 2) Wendy Rudnyk and 3) Chris A. Taylor.

At times, classes may get dull but fortunately we have our share of **CLASS COMEDIANS** to liven things up. The winners are 1) Kurt Harrison, 2) Jamie Robertson, 3) Bill Taylor.

We all must admit to having some sort of Wild fantasy that we would like to experience. Many of us never reveal such fantasies to anyone but when asked anonymously, they came up with:

- to TALK Mr. Olthuis to death
- to marry a beautiful girl and have 2.5 kids
- to have a huge jello fight in the gym

- to become a Yearbook member
- to own something faster than a VW
- to travel to the dark interior of Australia in search of "The Great White Baboo"
- taking over Jock Hall
- to play in concert on the Empire State Building, with Spiderman climbing the side trying to join us

High school is said to be the Best years of our Lives and the following are what the Grads will remember about JP:
-the Hit List
-departmentals
-falling asleep in class
-some of the teachers
-cramming in the hallway with everyone freaking out at the same time
-everyone showing off their daddy's car in the parking lot

-Hall parties and football games
-walking up to sixth floor when the elevator wasn't working
-the weird fashions and hair colors
-all the fun in Beauty Culture
-all the work we did in E classes
-stinky toilet bathroom dispensers
-Jock Hall (and the fact that it lives up to its name in smell)
-page 2 of the yearbook

The one we noticed most often was: the good times, laughs, and friends I had.

Most of this graduating class started at J.P. the same year I did. At first I wondered what to expect of you and you probably wondered the same about me. Three years have since passed and it wasn't so bad was it?

I take pleasure in telling you that I

greatly enjoyed your company, and I can only hope that if I influenced you, it was in a positive way. Good luck to all of you in all of your endeavours in the future.

Contable Bernie Wilde

You're learning to make the most of you.

As the school year ends and you reflect upon the past year, you realize that some of the most valuable lessons don't come from textbooks. They come from life. From the good times and not-so-good times. When you learn about people. About yourself. Or just

about handling things. And that's important. Because you never stop solving problems. You just get better at it.

Congratulations on your graduation and your success so far.
